**5.10 TEIGN VALLEY SHOOT**

Correspondence has been received from residents of Drewsteignton who have experienced difficulties with the Teign Valley shoot. Various members of the public addressed the Council. After much discussion it was agreed the Clerk would write to DNPA, copying in Cheriton Bishop, Mortenhampstead, Dunsford Parish Councils and Cllr James McInnes, requesting that a meeting be held with representatives of the 4 Parish Council's, Shoot and Forestry Manager and residents affected by the shoot, to address the following points; Is the Shoot subject to Planning? What affect is the sheer number of birds having on the Ecology? What are DNPA views on the increase of birds from the 8,000 birds placed by the previous shoot to the current numbers rumoured to be nearer 35,000. The increase in the number of birds is having an adverse impact on the quality of lives of residents, with livelihoods affected with crops grown destroyed by the birds.
