Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Drewsteignton Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.

Subject	Risk(s) identified	H/M/L	Management/control of Risk	Review/Assess/Revise
Precept	Adequacy of precept in order for the Council to carry out its Statutory duties	M	At the council meeting to discuss the precept the Council receives a budget report, including the previous year end Budget report, the actual position and projected position to the end of year and indicative figures or costings obtained by the RFO. With this information the Council maps out the required monies for standing costs and projects for the following year and applies specific figures to budget headings, the total of which, less other sources of income or un-allocated reserves, is resolved to be the precept amount to be requested from West Devon Borough Council. The figure is submitted by the RFO. The Clerk informs the Council when the monies are received.	Expenditure on items not covered by the budget will result in funds being taken from reserves – situation to be monitored and revision of future budgets to be considered.
