Drewsteignton Parish Council – Agenda Support Document

Agenda Item 8.5.20 b): Dartmoor National Park Management Plan 2020-2025 Draft Consultation

1: Organisation: Drewsteignton Parish Council

2: Please explain your answer

Does the Management Plan focus on the right themes and issues?

Yes	No	Unsure
-----	----	--------

Have we missed anything?

Are there any parts of the Plan you particularly support and why?

3: Are there any parts of the Plan you would like to see change? If so, why, and how?

Any other general comments

4 **Vision:** Share your comments on the Draft Vision for Dartmoor in 2045

5 **Climate Change:** Do you have any suggestions for how the National Park can move towards being carbon neutral by 2050, or earlier if possible? Can you provide any evidence to support this?

Any other comments on this section

6 **Next Generation: Find out more about the Next Generation Manifesto and how to get involved.**

Do you have any suggestions for improving how the Next Generation can be involved in decision-making? If responding on behalf of an organisation, can your organisation make a commitment to improve the involvement of the Next Generation?

Any other comments on this section

7 **Better for Nature and Natural Beauty**

Do you have any comments on the proposals for a network of nature recovery areas and where these could be?

If you are a land owner or manager and would be interested in being involved in a nature recovery pilot then please let us know by ticking the box below:

- Yes, I am interested in being involved

11 Better for Communities & Business: Share your comments on this section

12 Key Challenges

How much do you agree or disagree with the principles for responding to the Key Challenges identified in the Plan?

	Strongly Agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Landscape management and nature recovery					
More trees					
Existing conifer plantations					
A grazed moorland landscape					
More visitor					
Changing demographics					
Communication infrastructure					

Drewsteignton Parish Council – Agenda Support Document

Renewable energy and energy efficiency					
Military training					

How much do you agree or disagree with the principles for responding to the Key Challenges identified in the Plan?

Should there be a target in the Management Plan for increased woodland cover? If so what should this be?

Any other comments on this section

13 Monitoring progress: Please explain your answer

Do you agree with the proposals for monitoring the Management Plan?

Yes	No	Unsure
-----	----	--------

Do you have any suggestions for alternative indicators to use, or relevant datasets that we can use?

Any other comments on this section

14 Working in Partnership: What can you do to help deliver the Vision and objectives of this Management Plan? Please state any specific actions that you (or your organisation) can undertake
