Whiddon Down methodist church chapel hill Whiddon down, EX20 2PX](#)

Cllr Brennan proposed a positive support to the application, given the heritage value of the church is worth preserving and to make use of a redundant building. The parish council notes whilst the right of access/way to the cemetery has been maintained, the inclusion of a low wall between the church access and the cemetery access as unnecessary. Additionally, disabled access to the cemetery has not been considered. Cllr Rowe seconded all in favour motion carried. (RR2023/37)
